◀ Only one side of the “tail” can be extended. The remaining three sides must keep the size and proportions stated on the previous page.

We're More Than an Institution...

WE'RE A
COMMITMENT

At Indiana University, we're serious about developing the leaders, researchers, entrepreneurs, and innovators of tomorrow by investing everything we have in IU students—**today**.

We understand the value of a college education to Hoosiers and their families, and strive to make it accessible and affordable, with programs in place to help students graduate on time at a manageable cost.
